

Mrs. Gladys McMorris, Secretary of the Purple Pansy Senior Citizens Association, is shown receiving a cheque for \$2,660.89 from last year's Miles for Millions March. Father Edward Lynch, former chairman of the March Committee, makes the presentation. The money will go toward a senior citizens home in Drayton Valley.

Annual March Saturday, May 15

Plans are well advanced for the annual "Miles for Millions" March to be held this year on May 15th. The march covering a distance of about 25 miles will follow the original route, via Rocky Rapids. Proceeds of this year's march will be distributed as follows: Purple Pansy Senior Citizens Fund, 60 percent; Oxfam of Canada, 20 percent; Indian-Eskimo Association of Alberta,

10 percent; and the Canadian Organization for Development and Peace, 10 percent.

Several local clubs are represented on the new executive elected earlier this year. Members are M. McCullagh, Canadian Legion; Bert Telford, Lions; R. Smith, Rotary; Earl Kelly, Elks; Mrs. Inez Oscar, Legion Auxiliary; and Mrs. Vera Hazzard, Royal Purple.

Minor Hockey Banquet Sat.

Plans for the Minor Hockey banquet to be held on Saturday, May 8th in the Drayton Valley Centennial Civic Centre are going ahead smoothly.

The guest list looks impressive! Clare Drake, Coach of the U of A Golden Bears has confirmed attendance as has Doug Messier, Coach of the Edmonton Monarchs. Sam Belcourt and Frank Roggeveen of the Drayton Valley Rebels have also confirmed attendance.

Unconfirmed, but still thought likely to make the banquet, are Glenn Hall of the St. Louis Blues and Jerry Melnyk, Philadelphia scout and N.H.L. veteran. Bruce McGregor is unable to attend this year.

Elks Club barbecued beef will be served at 6:00 and entertainment will be provided by the "Pickup Three."

Presentation of awards will be a highlight of the evening.

Deadline for ticket sales will be Wednesday, May 5th at the

Recreation Office.

Program for the evening is as follows:

5:30 - 6:00, Musical Presentation, "Pickup Three"; Players skate draw registration.

6:00 - Official welcome and grace.

6:00 - 7:30 - Banquet

7:30 - Presentation of Awards and Guest Speakers; Opening remarks and introduction of head table guest; Message from the Town; Guest Speaker; Presentation of team player awards and leading scorer, sportsmanship and most valuable player; Guest Speaker; Presentation of team trophies and house league, play-off, highway 16 league players; Guest speaker; Presentation of special awards; Guest speaker; and Closing remarks.

Oil Spill Control Tests Planned Here

The Pembina Area Pollution Control Co-operative Committee has announced that a series of oil spill control tests will be conducted in late May.

The tests, which are to be a joint effort by the oil industry operators in the Pembina area, are designed to evaluate pollution control equipment (such as booms, oil skimmers, absorbents, etc.), techniques, manpower utilization and transportation and communication facilities under actual oil spill conditions. Necessary authorities have been obtained from effected governmental agencies, who together with oil company and oilfield supply personnel, will witness the planned activities

WATER USE CURTAILED FOR SUMMER

At its regular meeting on April 22nd Town Council decided to institute the rationing of water for the summer months, effective immediately.

The water supply is hard pressed every year during summer months and the supply is not adequate to meet household demands while heavy lawn watering is taking place.

Two wells were drilled this spring in an attempt to augment the town supply, but both proved to be failures.

Lawn watering hours, in effect now, are as follows: north side of 50th Avenue, Mondays, Wednesdays and Fridays, between 7:00 and 9:00 p.m.; South side of 50th Avenue, Tuesdays, Thursdays and Saturdays, between 7:00 and 9:00 p.m.; Sunday will be open to the whole town, between 7:00 and 9:00 p.m., only.

Clean-up Planned for May 9 to 12

The Drayton Valley Town Council has proclaimed the week of May 9th to 15th as Spring Clean-up Week.

The council seeks the co-operation of all residents in gathering up the rubbish accumulation of last winter and placing it at the rear of property for pick-up and disposal.

The County of Parkland has also announced its participation in a province-wide clean-up campaign to be held from May 15th to 31st.

The County Council has authorized the use of county equipment and personnel during the clean-up period for the collection of old car bodies, junk and litter from road allowances and from private property on request.

County authorities have also requested the assistance and co-operation of all residents in making the campaign a success.

X-ray Clinic To Visit at District Points

The Alberta Tuberculosis and Respiratory Disease Association has announced dates for the visit of the free chest X-ray clinic at district points.

The clinic will be at the Tomahawk Community Hall from 6:30 p.m. to 8:45 p.m. on Wednesday May 5th and on Thursday May 6th from 9:00 a.m. to 12:00 noon and 1:00 p.m. to 2:30 p.m.

On Friday, May 7th the clinic will be held at the Keephills School from 9:00 a.m. to 12:00 noon and from 1:00 p.m. to 2:00 p.m.

The clinic will operate at Mayerthorpe on Monday, Tuesday and Wednesday, May 10th to 12th in the Kinsmen's Theatre.

WATER SUPPLY STUDY CONTINUES

Mr. Ken Korchinski of Underwood, McLelland and Associates, was present at the last regular meeting of the Drayton Valley Town Council to out-line results of water test holes drilled on the granular bench on the Saskatchewan River flats near the Highway 57 bridge.

COUNCIL BRIEFS

At the regular meeting of Town Council on Thursday, April 22nd, approval was given to proceed with the necessary bylaw to enter into an agreement with the County of Parkland for construction of a new high school in the town. The town will contribute \$50,000 toward cost of the school in exchange for use of the building following school hours as a community centre.

Council approved the application of West Park Developments Ltd. to subdivide additional residential lots south of its new mobile Home Subdivision.

It was agreed to commence annexation proceedings to bring the triangular section of land between Big Country Machinery and Highway 57 into the town boundaries.

The subject of renovations to

He pointed out that finalization of the tests could not be completed because surface water was running into the test holes during the spring break-up and giving inaccurate reports.

Although silting problems were encountered during the test period, Mr. Korchinski expressed confidence that the problem could be overcome and the bench still supply the water quantity required.

The test holes have provided a good indication of the geology of the area and good quantitative potential is indicated in the aquifer.

Mr. Korchinski recommended obtaining an undisturbed sample of the aggregate by a backhoe to a depth of 12 or 14 feet. Analysis of the aggregate, he said, should enable engineers to design a screen to overcome the silting problem.

Work on the test holes has been closed down until the surface water has drained away.

the arena was discussed at some length with the general consensus of opinion being that no major

renovations be undertaken at this time.

It was agreed that Council explore the possibility of using the \$15,000 Recreation Capital Expenditures grant to aid in financing community facilities in the new high school.

The question of installing dehumidifying fans in the arena was tabled after discussion.

Council gave third reading to the bylaw authorizing purchase of 43 acres of land adjacent to the West Valley Park from Mr. Arthur Woods. The land will be reserved for parking, extension to the park and a picnic and camping area along the creek bank. The property is being bought at \$400 per acre and payments spread over a period of three years.

Council proclaimed the week of May 9th to 15th as "Spring Clean-up Week."

Mission Fund Target Exceeded

A total of \$635 has now been received towards the freight charges on equipment worth \$8,000 waiting for shipment to Kagando, Uganda, for use at the Missionary Hospital where Dr. and Mrs. Maclure are working.

This more than covers the amount of \$625 needed for this purpose, and the remainder of the money is to be used at Dr. Maclure's discretion. In addition to the money donated at the film show on his behalf there have been generous gifts from the Oilfield Chapter of the C.N.A..

the Anglican Church in Drayton Valley, as well as many private individuals.

The Maclures are starting a new work in a heavily populated but isolated part of Sierra Leone in June, where the needs are even greater. Dr. Maclure worked in this area before coming to Canada, and has previously translated parts of the Bible and Pilgrim's Progress into the local dialect.

His release from Kagando Hospital by an Australian doctor enables him to pioneer this new work, and he says that the arrival of the equipment will be an enormous encouragement to his successor, and it will ensure for the time being the continuation of the work at Kagando.

ENTWISTLE NEWS

Mrs. Dawson Smith is in the Drayton Valley Hospital and we hope she is improving and will soon be home.

Mr. and Mrs. C. Cowie have been away to a convention recently and some of our local people helped with the Sunday School and Church in their absence.

The Elks whist drive which was held on April 24th had six tables of players. The winners were: Ladies - 1st, Shirley Sullivan; 2nd, Margaret Ostertag; and Consolation, Mrs. Gay. Men's - 1st, George Egle; 2nd, Bill Davies; and Consolation, George Hamar. The door prize was won by Mrs. B. McKenzie. The next whist drive will be held on May 8th starting at 8:30 p.m. in the Elks Hall.

Kay and Alix Neumann of Edmonton were in Entwistle to visit Lil and Morman Hanson on their way to Mexico for a month's holiday.

On April 24th at the O.O.R.P. convention held in Hinton, twenty-one members of the Entwistle Lodge together with the Drayton Valley Lodge went by bus to Hinton. Six Lodges were present and the convention was very enjoyable. Maureen Smith of Edmonton came out to go to the convention. Don Smith stayed with his father and renewed acquaintances. They returned home on Sunday.

Leslie Jardine is home for a while recuperating from an appendix operation recently. Campbell Jardine is also home after spending some time in Cyprus in the Army.

Wayne and Peggy Bullock and girls also Mary Osbourne and son David of Terrace, B. C. spent the Easter holidays at the Bullock home. Wayne and family live at Kamloops, B. C.

Congratulations to Doreen and Ed Clark on the recent birth of another girl which was born on April 22nd.

The Entwistle O.O.R.P. have canvassed for the Red Cross during the month of March.

The X-Ray clinic is coming to

Entwistle during the month of May. Watch for posters and notices of the date, time and place.

The Entwistle Students Union will present two one-act plays at the school on Saturday, May 8th at 8:30 p.m.

The plays are "The Day After Tomorrow" and "Billy's First Date". Tickets are available from members of the Student's Union or at the door.

St. Anthony's Enters Festival

The grade five students of St. Anthony's School entered the Kiwanis Music Festival at the Jubilee Auditorium in Edmonton on April 27th.

They entered the folk song of your own choice section and sang an Italian folk tune, "Marianina".

Thirteen other entries were in that class with Parkview Elementary School in Edmonton coming in first with a score of 89. St. Anthony's score was 83. Congratulations go to the students for a good job, and thanks go to the parents who drove the car loads in to Edmonton.

The next occasion will be the Drama Festival in Sangudo where St. Anthony's Junior High Drama class will take their play "Sunday Costs Five Pesos." Drayton Valley Junior High will be taking their two plays "Sparking" and "The World Tipped Over and Lying on its Side".

SURPRISE SALE ?

THE TOWN OF DRAYTON VALLEY PROTECTION AND CARE OF PARKS BOULEVARDS AND PROPERTY

The ratepayers of the Town of Drayton Valley have invested quite a respectable sum of moneys in their parks, boulevards, and properties in this the town. Trees, shrubs and grasses begin to show their beauty and attraction when very often thoughtless individuals break limbs and branches from trees, tread on and jump through shrubs and hedges, and walk indiscriminately upon the grasses. Thus the work, effort and care of raising these plants goes to naught. It is our hope that every resident -- young and old -- pay that little bit more respect for our public properties and in doing so insure that what we plant and nurture today will still be living for our gratification tomorrow.

Also a word to all students "cutting" through private property to and from school. Remember private property is "private" and should be respected and handled with care and consideration. When you are permitted to cut through a private lot insure that you leave it as you entered it. This means no littering of the grounds, no disturbing of existing fixtures nor defacing of walls and fences on the way.

Your thoughtfulness today may mean a fuller, abundant life tomorrow. You are your brother's keeper -- look after his property as you would your own.

Large Crowd Attends Drayton Valley AA Round-up

The 3rd Annual "A-A" Round-up held in Drayton Valley at the Legion Hall Saturday and Sunday drew approximately 200 people from B. C., Alberta and Saskatchewan.

From the opening remarks and welcome by Mayor Lloyd MacLean prior to the banquet, to the closing meeting Sunday evening an enthusiastic audience kept attentive ears to the words of the speakers from the various provinces.

Tables laden with food and coffee urns working overtime were all a part of this popular annual get-together.

Head table guests were Mayor and Mrs. Lloyd MacLean, R.C., M.P. Constable and Mrs. Jack Ross, Dr. and Mrs. C. Hamwee of Breton, Rev. and Mrs. Mohr, Ted K. from Calgary, Mr. and Mrs. George S. from Edmonton.

Mayor MacLean pointed out the economic value of the oil industry and referred to the growth of Drayton Valley and drew many chuckles with his closing remark that the town was blessed with more oil than water. He said when it came to watering the lawns this summer the full impact of the shortage would be felt.

Constable Ross spoke on the relationship between alcoholism and police work setting the examples of broken homes, accidents, etc., stressing the incidence of alcohol to complaints and the needless harm caused. He was sincere, brief and very well accepted, by the large audience. He and his lovely wife made many friends for themselves and the R.C.M.P. by their attendance.

Dr. Hamwee was a "crowd pleaser" he kept his listeners in stitches one moment and in complete silence another.

He discussed the preponderance of some major diseases in North America and the millions spent on research and attempts at recovery. Then he told how "A-A", with its humble beginning thirty-six years ago, following the meeting of a Doctor and a "broken down" business man, emerged as a recovery program with 500,000 members. Carrying its own financial burden "A-A" has proven to be the most effective form of recovery yet discovered. As always seems the case, "A good doctor is a busy one," and the Legion phone rang and he had to leave. Probably to assist some new Canadian to start life. The A-A's were sorry to see him leave but feel they have a real friend in he and his gracious wife.

Rev. Mohr referred to the theme of the Roundup, Fellowship, and spoke of the need of the gift of sharing. He stated while it was valuable between individuals and in groups, it was also valuable nationally and internationally and that in the final analysis fellowship may be the thing that will save us from global war and world chaos.

He led the group in singing blessing and in closing the first part of the evening.

Chairman Ira H. of Drayton Valley opened the final part of

the banquet and introduced Ted K. main speaker of the evening.

Ted told of his years of enslavement to alcoholism, of his fight to live and his resignation to death. His story spanned years of denying himself the best things in life and all the while constantly hoping against hope for some glimmer of hope from an affliction that crept up on him.

Bouncing from hospital to institution to drink and back again he found himself fighting a losing battle. Sincere in his desire to stop one moment and giving in to his craving the next he continued down hill, through hellish nights and fearful days until coming to the desperate realization that it was impossible to live as a normal human being without help. He continued, that after joining "A-A" he had at last found hope at least. Even with help he found himself resisting change and many times had difficulty understanding the programme and himself. He said "it wasn't that the program wasn't simple. I tried to make it complex."

Many of the failings of alcoholics were brought out. Years of sobriety and hundreds of speaking engagements have taken Ted through many provinces and states. His experiences and his knowledge of alcoholism plus his daily living, were reflected in his talk.

He was frank, humorous, and well aware of his responsibility as a speaker. He was an excellent main speaker and made a valuable contribution by his presence.

A gay crowd attended the dance following the banquet and speakers.

A mid-night meeting was held chaired by Wally J. of Drayton and a tired but happy and Sober group staggered home in the wee hours of the morning, looking

forward to a good breakfast together back at the Legion Sunday morning at 9:30 a.m.

Father Lynch held a special Mass for those attending the Catholic Church.

Sunday saw a continuance of meetings. A1-Anon with their guest speaker Betty S. of Edmonton and A1-Ateens with guest Nina L. of Chase B. C.

A closed "A-A" meeting was followed by a public meeting in the afternoon.

Gallons of coffee and pop were disappearing and the tables were getting lighter and lighter.

A fifteen year old girl from Chase, B. C. kept the audience spellbound and many times in tears as she told of the problems of a teen-ager and child of alcoholic parents and how she herself finally resorted to drugs. In a quiet, soft voice Nina L. told how she raised her brother and sisters while her parents drank. She spoke of the loneliness and despair of seeing them leave the home to go and drink, of the fighting, the filth, the utter degradation that was allowed to exist in their home. She kept the audience in tears as she quietly explained the problems that came with moving from school to school, of squandered money that resulted in power shut-off, lack of adequate food and shelter. Then she told of the love her younger brother and sister's gave her and how they started to call her "Mom".

Hours crying alone in her room, hours praying for help, the necessity on occasion to run away, all these were told by a tiny well composed young girl who so obviously spoke from the heart without animosity or bitterness that the audience was silent, following her every word. Her parents found "A-A" and Nina shared the gratitude she felt on their recovery. However, new

difficulties arose.

Nina who had cared for the other children was now to turn them over to their mother's care, causing her anguish beyond description. She compared it to giving "Your life to God as you understand him"

At first mistrustful of her parents she has learned to talk to her mother and to share experiences with her. (Her mother received her third birthday cake which signifies three years sobriety.)

This young lady was given a well deserved standing ovation. She spoke at three meetings in two days and was tired but she spoke with conviction and sincerity, those rare qualities that make up a good oration. She has studied and was capable of sharing her thoughts in an amazing manner.

Chairmen at the various meetings were as follows: Public Meeting, Noel; Closed Meeting, Lisa W.; A1-Anon, Evelyn H.; A1-Ateen, Audrey L.; Open Meeting, Silver L.; and Night

Meeting, Wally J.

Breakfast was ably prepared by the Evansburg group and the afternoon meal was donated by the A1-Anon group of Drayton Valley.

The youth of Drayton Valley comprised a large part of the audience and it was generally felt that all present received a rewarding experience. The public at large are to also be commended for their support.

Report From Parliament Hill

By Allen Sulatycky, M.P.

In preparing for a speech which I gave in Edmonton recently, I had occasion to review the anti-pollution legislation which has been passed by the Canadian Parliament in the last two years, or which is presently before it. The list is certainly impressive.

The most publicized enactment was the Canada Water Act. It provides a co-ordinated and flexible vehicle for the Federal Government to act within its sphere to manage the water resources of Canada jointly with the province. The Act permits the Government to mount a systematic attack on water pollution problems, jointly whenever possible, but unilaterally if necessary in those waters where there is a national interest.

While the Canada Water Act was the most publicized of the Government's initiatives in this field, it was by no means the most important or the most effective. A number of other Acts, dealing specifically with water pollution were also passed.

These included the Northern Inland Waters Act, the Arctic Waters Pollution Act, The Territorial Sea and Fishing Zones Act, amendments to the Fisheries Act, and amendments to The

Canada Shipping Act. In other fields, amendments were passed to The Oil and Gas Production and Conservation Act, The Radiation Emitting Devices Act, was passed as was The Motor Vehicle Safety Act and the Nuclear Liability Act.

At the present time, Parliament is also considering the Canada Clean Air Act which closely parallels the Canada Water Act, and also the Yukon Minerals Act which will result in greater protection to the delicate environment in that territory.

The Trudeau Government also took a very important initiative in claiming the right to exercise control over the seas to one hundred miles beyond our shores in order to protect the coastal environment. This particular action aroused a great deal of interest throughout the world and was received with disapproval by the shipping nations, including the United States.

Now the Nixon Administration, which tried so vigorously to dissuade the Canadian Government from asserting jurisdiction on the high seas to fight pollution, has asked the United States Senate to approve the same power in principle for it.

With the steps which have now been taken, and with the passage

of the Clean Air Act, Canada will have moved to control pollution with a determination which is an example to the rest of the world.

If you should wish further information on any of the legislation mentioned above, or on Canada's anti-pollution efforts, please write me at House of Commons, Ottawa 4, Ontario.

WATCH THOSE FONDUE SETS

The Fire Commissioner has received complaints that companies are offering fondue sets for sale with no accompanying instructions. The facts are that fondue sets require the use of a flammable liquid as fuel. If methyl hydrate is the fuel used, there is seldom any warning that methyl hydrate is a flammable liquid and not many people know that methyl hydrate vaporizes and bursts into flame at room temperature when exposed to a source of ignition which is a match or spark.

An incident occurred in an eastern city recently involving an eight year old girl who attempted to refuel a hot burner resulting in an explosion. The girl tried to remove the flaming pot to the kitchen and while doing so set fire to her clothing resulting in very serious burns. Also in Edmonton a year ago, methyl hydrate was spilled out of a gallon can while attempting to fill the fondue burner. Some of the liquid got on the women's clothing and when a match was struck to light the burner, their clothing and the counter top ignited. Both women received serious burns.

It is essential that all possible care be used when persons undertake this means of food preparation.

Editorial Comment

Clean-up Time Again

The snow has finally gone and spring clean-up time is here again!

Town and County have both announced plans for clean-up campaigns and residents of both municipal bodies are requested to do their part in making the annual clean-up a success. Your co-operation will help make the town and county more attractive places to live and more impressive to the visitors who will soon be vacationing across the country.

While on the subject of beautifying the town we should also consider boulevard grass and trees. The trees in particular should be protected by residents of nearby property. Parents could help by impressing upon children the value of trees, and all adults should endeavor to protect them from vandalism.

Standing on Your Own Feet

EVERYONE who leaves school or university this year is looking forward to standing on his own feet and making his own way in the world.

Benjamin Franklin was of the opinion that a ploughman on his feet is higher than a gentleman on his knees, and one of the characters in Ibsen's play *An Enemy of the People* says: "The strongest man in the world is he who stands most alone."

But before you can stand on your own feet you must have something more in your head than the desire to stand up. You need to know enough to keep your balance. That is why young people go to school and university and church; that is why wise older people keep learning by reading and observing. In this changing world it is not enough to have in your head nothing more than was there yesterday.

No person can be completely sovereign in the sense that he is in no way affected by what happens outside himself. Independence must walk hand in hand with knowledge of what is going on, intelligent obedience to certain laws of life, and fidelity to certain customs of humanity.

The advice given a thousand years ago: "Be yourself" has been translated in these days into "Do your own thing." Some people draw attention to themselves by lavish display of qualities, like a storekeeper who thinks he has to crowd into his window everything he has to sell, or like a flower arranger trying to cram all of her garden into a table vase.

What have you that is particular to yourself, a point of distinction, something in which you are proficient? That is the feature to display and develop. A man may find arithmetic or writing letters or carpentry difficult. That is no more remarkable than that a long-distance runner should find it impossible to do the 100-metre run in under ten seconds. The thing to do is find your best quality and bring it to maturity.

However, advice to concentrate on what you do well should be taken with prudence. If you play the guitar skilfully you may become a bore by playing it too often or too long. It is judicious to spread your interests so that you acquire new talents and to dabble in things that broaden your life, even if you never rise above average in them.

Opportunity to shine will come to the man who enlarges his ability, stores his mind with useful data, and has the desire and energy to step out toward an objective.

LETTERS

TO THE
EDITOR

Editor,
The Western Review,
Dear Sir:

I am writing this letter as I would like it to be known by all who are interested, how much I appreciate the services of our local Veterinarian Dr. B. B. Morden. The first calf born to my herd of Herefords this spring was found to have no rectum opening. The calf was brought in to Dr. Morden to see if anything could be done. A swift, efficient operation was performed and the calf returned to its mother within a matter of a few hours. The calf showed no ill effects, and now, three weeks later he is functioning normally, and is as healthy and active as the rest of the newcomers.

This was not the first time I had had to call on Dr. Morden's

services and it is my opinion that Drayton Valley is very lucky to have this clever young man as resident Veterinarian. I trust his business will continue to thrive so that he will stay with us many years.

Fifth Bull Sale Most Successful

Standing room crowd filled Sekura Auction Market on April 17th to take part in the Fifth Annual Bull Show and Sale.

Jack Kerns, of the Alberta Department of Livestock, along with the culling committee of Norman Johnson and Walter Ditchuk culled three bulls because of defects including reproductive systems, legs and feet and size.

Paul Piskunowicz won the Sekura Auctions Trophy for Grand Champion with a yearling Hereford bull. Leo Miko took home Pembina Packers trophy for the Reserve Grand Champion with a two-year-old Hereford Bull. Jack Kerns who did the judging made the statement that the animals were getting better every year.

There were 26 bulls sold and results were: eleven yearling bulls averaging 424.09; fifteen Hereford

Shorthorn and Charolais, two-year-old and over bulls averaging 624.67. Three females were sold averaging 375.00.

The high selling bull, a Charolais that went for \$870.00 was consigned by Ted Maciborski of Alder Flats.

To finish off the business of the year, West Alta. Breeders Association held a most successful meeting at Sekura Auction Market on April 23rd. Members were present from Duffield, Mayerthorpe, Alder Flats, Moon Lake and Drayton Valley.

Great works are performed, not by strength, but by perseverance. He that shall walk, with vigor, three hours a day, will pass, in seven years, a space equal to the circumference of the globe.

BY-LAW No. 13-71

By the Council of the County of Parkland No. 31 of the Province of Alberta,

WHEREAS it is deemed expedient by the Council of the County of Parkland No. 31, of the Province of Alberta, that the sum of Seventy Three Thousand Dollars (\$73,000.00) should be borrowed on the security of the said County by issue of debentures repayable to the bearer in 25 consecutive annual instalments with interest at the rate of not more than Nine per cent (9%) per annum for the following purposes, namely: -

Constructing an addition to the Serplex part of the New Spruce Grove Upper Elementary and Junior High School in the Spruce Grove School District No. 450 to consist of: -

(a) 3 General Classrooms - 750 square feet each

Plus such other non-instructional areas as are deemed necessary to provide a functional educational unit and fall within the limitations set forth in the Regulations under the School Buildings Act at an estimated cost of Sixty Five Thousand Five Hundred Dollars (\$65,500.00) including Architects fees and water supply and sewage disposal system.

(b) Purchasing furniture and equipment at an estimated cost of Four Thousand Five Hundred Dollars (\$4,500.00).

(c) Landscaping and site development at an estimated cost of Three Thousand Dollars (\$3,000.00).

THEREFORE, notice is hereby given by the Council of the said County that unless a poll of the electors of the said County for and against the said debenture loan is demanded, as provided by Section 104 of The School Act, 1970, the said Council will apply to the Local Authorities Board for authority to borrow the said sum by issue of debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

KINKY KNITS

What's new in fabrics - why knits of course. And better yet, now you can sew them yourself.

TYPES OF KNITS

Knitted fabric is characterized by the yarns being looped together rather than interwoven. There are basically 2 types of knits: warp knits and filling knits. Warp knits are made of flat machines only, but filling knits may come either flat or tubular. Warp knits are usually stronger more resistant to sagging and less elastic. Illustrations: Raschel, lacy open patterns; tricot, commonly used in lingerie; and malanese, characterized by the fine rib on the right side of the fabric.

FILLING KNITS

Really "give" with the body and because of this elasticity they are very comfortable. Illustration: Jersey, the soft and most clinging knit; Ribs, wales on both sides of fabric; Double knits, really 2 layers of knit yarns; Pure knits characterized by lengthwise elasticity. Knits can be made of wood, cotton, silk, any of the synthetic fibres or blends. Knits do not have finished edges or selvages and can be bought in tubular forms.

PATTERN SELECTION

The choice of patterns will certainly be governed by the weight of the knits. Soft styling is the best choice. Avoid having too many pieces to the pattern. Eliminate any unnecessary seams i.e. use a turn back facing. The pattern companies now have special sections for knit patterns only. These patterns have less ease than other patterns so it is important when sewing with knits to use them. There are other outlets now who specialize in knit fabrics and patterns.

CUTTING

Knits have no crosswise grain. The lengthwise rib is comparable to the selvage edge of a woven fabric.

Use one rib as a guide for placing pattern pieces on lengthwise grain. Take care not to hang knits over the edge of a table for they will stretch out of shape.

STITCHING

Experiment before you stitch. While a short stitch, loose tension and a fine needle usually work best, it is wise to work with your machine and fabric to determine

Warburg Youth Among Talent Search Winners

A nineteen year old High School student from Two Hills took top honors at the finals of the A.C.T.-CFRN Search for Talent held at the CFRN Television studio at the weekend. Rick Evanshenke, with an excellent rendition of Rachmaninoff's Prelude in "C" Minor, wins a \$150.00 Scholarship donated by Sunwapa Broadcasting Ltd., which entitles him to attend the Banff School of Fine Arts to further his piano studies.

In the Junior Competition, restricted to contestants age eight to twelve, first place went to Ross La Grandeur, of Leduc, with a Banjo Solo. He won the Harmony Kids School of Music Award.

A group of fifteen High School students from Lac La Biche, singing under the title, "Generation Gap" took top honors in the Showmanship Competition, and with it went the Northwestern Utilities Award. This group sang under the direction of David Langford.

In the Fireside Division, sponsored by Canada Safeway Limited, top award for the season went to Darlene Kozdrowski of Rochester. The only winner from this area was Ricky Meinczinger of Warburg who placed third in the "Fireside" category.

The finals wound up the twenty-fourth Annual Search for Talent season, sponsored by the Association

ed Canadian Travellers of Edmonton in co-operation with Radio Station CFRN and local service clubs in the various communities visited weekly throughout the fall and winter season.

Eighteen regular shows were held, followed by three regional semi-finals, culminated with twelve finalists out of a total of more than five hundred Contestants. Proceeds from Search for Talent go to A.C.T.'s Northern Alberta Crippled Children's Fund.

Tractor Club Regular Meeting

The thirteenth regular meeting of the Sixteen A 4-H Tractor Club was held on April 21st at the home of Mr. and Mrs. M. Bruner of Evansburg.

All those who are interested and who are 15 or over, got forms to fill out to go to Goldeye Camp for the Conservation Camp and Rural Youth Week.

Ted Bruner gave a report on the committee meeting which was held on Sunday, April 18th. For the rally either Byron Brown or Peggy Luniw are to be the M.C., Sonya Slenko is to work the P.A. system, and the three clubs from the district are to host this rally and share the cost of the lunch. The judges are to be Mrs. Scott from Wildwood, Mr. Allison from Evansburg, and Mr. Keddie from Evansburg.

Instead of making road signs for a community project, the club will have a clean up drive around Evansburg.

A special meeting was called on April 15th at the home of Mr. and Mrs. M. Bruner to take pictures of the tractor club members and various aspects of their work. These pictures are to be sent in to Mr. Youck, Supervisor of 4-H in Alberta.

Panasonic TVs and Stereo Components at Unbelievable Savings

Today's leader in tomorrow's design

Panasonic is a respected name in electronics, a name you can trust with confidence. Panasonic backs its products with the research of over 2,500 scientists and the expert knowledge of 45,000 technicians in 85 ultra-modern factories. Panasonic sells 4,500 products in 120 countries, and manufactures every vital component from tiny transistors to big color picture tubes. Panasonic's busy TV division produces 3.5 million sets each year, with models ranging from the unique miniature 11 1/2" Integrated Circuit portable to large, luxuriously-crafted color consoles. The careful attention of our 8,000 dedicated employees in six modern plants assures high quality and unparalleled performance in each Panasonic television. Two of the six plants manufacture black and white sets, utilizing the finest vacuum tubes. A leader in Solid State technology, Panasonic creates the ultimate in advanced transistorized models at a third major facility. Demand for Panasonic's exciting color sets takes up the production capacity of the remaining three plants. Our facilities are constantly expanding to keep pace with increasingly wide-spread enthusiasm for Panasonic products. Nevertheless, every television set goes through over a dozen rigorous quality control inspection tests, to ensure that every one of the some 2,000 (B/W) or 4,000 (Color) components in every set conforms to the rigid standards of quality engineering and workmanship that have made the Panasonic name famous. In the TV division, as throughout Panasonic, quality comes first.

Do you change the feed or increase the amount of feed you are giving your cows after they calve?

After calving, your cow is feeding two bodies rather than one. The nutritional requirements change. You should be aware of this and make appropriate adjustments in your feeding program. Let's take an example of two 1000 pound cows -- one being a pregnant cow and the other with a new calf, and look at the difference in the daily nutritional requirement.

	Pregnant Cow	Nursing Cow
Daily dry matter (lbs.)	17.6	23.1
% Protein in feed	5.9	9.2
Total Digestible Nutrients	50	57
Calcium %	.16	.27
Phosphorus	.16	.22
Vitamin A	24,000 I.U.	39,000 I.U.

There are a lot of figures, but what it boils down to is the nursing cow needs more feed of better quality particularly minerals and vitamins A.

A reminder that details on sampling kits and on our feed testing service are available from this office.

BY-LAW No. 14-71

By the Council of the County of Parkland No. 31 of the Province of Alberta,

WHEREAS it is deemed expedient by the Council of the County of Parkland No. 31, of the Province of Alberta, that the sum of Four Hundred Ten Thousand Dollars (\$410,000.00) should be borrowed on the security of the said County by issue of debentures repayable to the bearer in 25 consecutive annual instalments with interest at the rate of not more than Nine per cent (9%) per annum for the following purposes, namely: -

Constructing an addition to the New Spruce Grove Upper Elementary and Junior High School in the Spruce Grove School District No. 450 to consist of: -

- (a) 8 General Classrooms - 750 square feet each
- 2 Station Industrial Arts Room - 4,000 square feet
- 2 Station Home Economics Room - 2,400 square feet

Plus such other non-instructional areas as are deemed necessary to provide a functional educational unit and fall within the limitations set forth in the Regulations under the School Buildings Act at an estimated cost of Three Hundred Sixty One Thousand Dollars (\$361,000.00) including Architects fees and water supply and sewage disposal system.

- (b) Purchasing furniture and equipment at an estimated cost of Thirty Four Thousand Dollars (\$34,000.00).

- (c) Landscaping and site development at an estimated cost of Fifteen Thousand Dollars (\$15,000.00).

THEREFORE, notice is hereby given by the Council of the said County that unless a poll of the electors of the said County for and against the said debenture loan is demanded, as provided by Section 104 of The School Act, 1970, the said Council will apply to the Local Authorities Board for authority to borrow the said sum by issue of debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

- (c) 10 per cent of the electors in a County having less than 5,000 electors but 500 electors or more, or
- (d) 15 per cent of the electors in a County having less than 500 electors, and be filed with the School Committee within 15 days of the last publication in a newspaper of the public notice of the proposed debenture borrowing.

L to R are Bert Duperron; Lawrence Duperron, father and coach, and Ray Duperron with a table full of trophies won this year in amateur boxing circles. The clock trophies were presented to both boys for winning the Golden Gloves Tournament. All trophies behind were presented to Bert for winning the Provincial Tournament and for being voted Best Novice Boxer in the tournament.

Drayton Boxers Enjoy Successful Year

"Here we have a couple of miniature Marcianos". This is how a noted Calgary sports-writer described Bert and Ray Duperron after they took part in a boxing card held in the Stampede City's Victoria Pavilion late in February. Comparing a couple of young novice boxers to one of the greatest heavyweight champions of all time may seem a bit lofty to some. However, Bert and Ray Duperron have compiled very impressive records with a colorful and action-packed ring style which is reminiscent of the great champion of a couple of decades ago.

The Breton Club is under the direction of Corporal Larry Knight of the Breton Detachment of the Royal Canadian Mounted Police. Larry is the Breton Club's head coach and he is assisted by Lawrence Duperron of Drayton Valley. Lawrence travels from Drayton Valley to Breton two or three times a week with his two sons, Walter Mastre, Eddie and Floyd Lauer and other youngsters who are practicing the fistic sport.

After sweeping through the Silver Gloves in Hinton in February both Duperron boys went to the Golden Glove Tournament in Calgary on March 20th. Both boys won titles in their respective weight divisions in Novice competition. Then came the Southern Alberta Championship Tournament in Taber, Alberta on March 27th. Bert Duperron won the Southern Championship easily. Ray took his weight division by default and Jimmie Knight and Kelly Standard from Breton won Junior Championships in this tournament. Walter Mastre lost in a hectic bout and turned in his usual colorful and crowd pleasing performance.

This all led up to the Alberta Provincial Championships in Edmonton on Saturday, April 24th. The chips were on the line and once again the boys from Drayton Valley and Breton came with flying colors. In the sixty pound class young Jimmie Knight lost a split decision to tough little Shane Fynn of the Cougar Club in Edmonton in a torrid three round battle. In another junior bout Kelly Standard won a split decision from rugged Kevin Conroy of the South Side Legion in Edmonton to take the 75 pound Provincial Championship. Ray Duperron won a unanimous decision over rangy Richard Risling in a bout for the 125 pound Novice Championship. Ray, however, had weight problems, he could not make the weight limit so he lost the title to his opponent by default. After every attempt was made to lose weight Ray still weighed in at 127 for the bout. Bert Duperron left no room for doubt as he demolished Reg Young with a

clean cut knockout in the third round to capture the 132 pound Novice Championship. Thus in the heat of top notch Provincial competition the Breton Boxing Club reached a fitting climax to a fantastic boxing season.

Receiving the ring records of the Duperrons and other members of the Breton Club we came across some very impressive statistics. Bert Duperron started boxing when he was seven years of age. He is now 15 years old. He has had a total of 43 fights of which he won 33 and lost ten. This season Bert had twelve bouts against top calibre opposition. He won ten and lost two. All ten victories were either by the knockout or T.K.O. route. In the Provincial competition last Saturday Bert was voted the Best Novice Boxer in the tournament. Brother Ray started his ring career at the tender age of six years. He is now fourteen years old and has had 42 ring encounters. Of these he won 21 and lost 21. Prior to this year Ray lost a lot of close decisions but in the 1970-71 boxing season Ray went into the squared circle ten times. He won then and lost one and only four of his fights went the three round limit. Both Duperron boys are considered by experts to be among the top boxing prospects in the Province as boys likely to go on to Canadian Championships or even further. Among the Breton boys, Dave Knight is eight years of age, he had 36 ring contests of which he won 29. His younger brother Jimmie has been active in the fistic game for three years, has had 34 fights winning a grand total of 30, all at the advanced age of seven years. Kelly Standard, a 75 pounder has also been around the game, for three years and has won 18 of his 27 bouts. All three boys have a beautiful boxing style, all are colorful performers and are ranked among the very top junior boxers in Alberta. Returning to Drayton Valley we have the veteran of the Club, Walter Mastre who has fought the best boys across the province for the past ten years. Walter is an open fighter. He weighs 156 pounds and is a rugged and colorful campaigner. He puts forth one hundred percent effort at all times. Walter has lost several fights but never has been stopped. Over the years he has been a great credit to amateur boxing in Alberta.

Other boys of note from Drayton Valley are Eddie Lauer, nine years old, weight 60 pounds and has won six of eleven fights. Eddie was the runner up for the Bronze Boy honors in the 1971 Bronze Gloves Junior Tournament held in Swan Hills. His brother Floyd Lauer is eleven years of age, weight 70 pounds and has seen action in the ring six times.

Interest in boxing in Drayton Valley is keen at this time and

many youngsters are coming along the trail who are excellent prospects for future years. With the quality and quantity of amateur boxers we presently have here there is an excellent chance that we will have a Boxing Club in Drayton Valley in the fall of 1971. Lawrence Duperron is very keen on the idea. There are a few problems to solve, however, all looks very favorable in the overall picture.

THE TOWN OF DRAYTON VALLEY

EMERGENCY NOTICE

For some time your communal water system has been hard put to supply the demands of the town. Four additional wells have been drilled in the past two years to remedy the situation but each new hole has only substantiated what your Council has reluctantly been forced to accept -- the water supply from water wells is just not adequate. A water study was authorized by Council in the autumn of 1970, and the results were made available in February of this year. Since that time exploratory measures have been undertaken to prove out the findings of the study. Whilst these programs have been going on, the final two wells, mentioned above, were drilled and each have proven a disappointment. At this stage it is hard to say how soon the water system will be connected up to a water source that will provide adequately for all of our wants -- we can only point out that the recommendations contained in the water study are being carried out -- plus.

In the meantime your water works department earnestly solicits your co-operation in maintaining a balance between supply and demand by curtailing the use of water throughout the town. They ask therefore that you do your part and follow out the rationing program directive below, effective immediately: ly:

LAWN WATERING HOURS

PERMITTED IN THE TOWN OF DRAYTON VALLEY

NORTH SIDE OF 50th AVENUE

Mondays - Wednesdays - Fridays

Water Between 7:00 p.m. and 9:00 p.m. ONLY

SOUTH SIDE OF 50th AVENUE

Tuesdays - Thursdays - Saturdays

Water Between 7:00 p.m. and 9:00 p.m. ONLY

ALL THE TOWN - SUNDAYS

Water Between 7:00 p.m. and 9:00 p.m. ONLY

Rationing of water may be instituted by a Municipal Corporation when the necessity of same becomes apparent. Our water supply situation is now such that it is deemed necessary to institute the program of rationing as outlined above. Anyone contravening this rationing directive will be liable to prosecution.

The Mayor and Council are confident that the water users in Drayton Valley will react favorably to this emergency measure and co-operate completely.

The Town of Drayton Valley,

W. G. JOHANNESON,
Secretary-Treasurer.

Members of the Road Runners, the newly-formed Frank Maddock High School track and Field Club, are shown here prior to a noon practice session.

High School Athletes Prepare for Track Meets

The Road Runners, a newly-formed Frank Maddock High School Track and Field Club is busy preparing for the season's athletic meets, starting at Hinton on May 21st.

This year's program has been revised considerably from last year. Past attempts to stimulate interest in active participation have been relatively unsuccessful.

With the formation of an aggressive executive of Barry Swap, President, Janet Bootsma, Treasurer, Irene Gusek, Secretary, and Bob Godun, Shirley Bierkos, Randy Moscaluk and Wendy Medwed as Publicity Directors great things are expected.

Coaches Mrs. Iris Tuftin and Doug Hall are already predicting high performances from several

of the potential athletes.

"Cheryl Daviduk and Debbie Reid will do well in high jump and the running events. Irene Gusek proved she could master the low hurdles when she went to the Provincials last year.

Bob Godun and Vince Meraw should continue their success in distance running. Both are running over five miles each day and plan to step up their training as the first meet in Hinton approaches May 21st.

"Janet Bootsma made it to the Provincials in cross-country two years ago and is planning to make a comeback. Keith Jamison and

Bill Donovan both look good coming out of the starting blocks and we should be able to tell more when we start timing them next week. Jerry Worobec is working hard on the discus and Larry Wall, Blair Ibbotson and Barry Swap are coming along nicely in high jump

"Everyone is starting to work pretty hard at it now and with a lot of conditioning and dedication anyone in the club could develop into a winner. Training is the key to success! As a team we should certainly score well in the track and field meets if participation remains good," the coaches say.

LIBRARY NEWS

The quarterly board meeting for the Drayton Valley Municipal Library was held in the library on Thursday with board members Mrs. Barnes, Mrs. Guze and Al McKillop present. Also present were town council representative Claude Albert, Secretary Wm. Johanneson and library custodian Edith Deby. Matters receiving attention included the budget, additional shelving and questions of library policy. The next meeting will be held in June.

New books this week include

many for the younger readers with some really lovely picture books for pre-schoolers. The juvenile section has received additions to the Loring, Christopher, Hammett and Gault books as well as new authors.

For adults there is a new mystery. "Case With Three Husbands" by Margaret Erskine begins with the statement, "To Septimus Finch the worst part of being shot by a gunman was recuperating afterwards".

Hugh Garner, admired for his characterization in "Cabbagetown", has written a gripping tale in "A Nice Place to Visit". Lawyer is sent to investigate a two year old murder and what he finds out will surely surprise you.

Victoria Hold fans have been asking for the author's latest book "The Secret Woman". It has arrived, ladies. The line forms on the right.

"The Child from the Sea" is the story of the secret wife of Charlie II, mother of the Duke of Monmouth, told as only Elizabeth Goudge can tell it.

In "Sibir" Farley Mowat writes what he has discovered about modern Siberia during his travels there and explodes some western ideas that the Russian north is a land of wolves and condemned political prisoners.

If you don't already belong to the library it is hoped you will take time to come in and look around.

On Tuesday and Friday from 3:00 to 5:00 and 7:00 to 9:00 the library is open.

Although Tuesday noon hour is especially for bus children other people are welcome if they don't mind waiting until the children are served.

President Questions Legislation Delay

The president of Unifarm, Dobson Lea, has accused groups seeking to delay national farm products marketing legislation of being grossly unfair to producers who need that legislation immediately.

Mr. Lea also questioned the accuracy of statements made by cattle and hog producers' organizations in an advertising campaign aimed at delaying Bill C-176, due for third reading this week.

"Egg and Poultry Producers, and producers of other commodities in all parts of Canada see Bill C-176 as a means of solving a number of their current problems," says the Unifarm president. "and they are waiting impatiently for implementation of the Act."

"Amendments proposed by the Commons Agriculture Committee give assurance that marketing agencies for particular commodities will not be set up unless the majority of producers of that commodity request it," says Mr. Lea.

The Unifarm president says opponents of marketing agencies have no right to hinder others in their efforts to establish orderly marketing of their commodities.

Commenting on the advertisement which appeared in a number of farm papers last week, Mr. Lea discounted claims that Bill C-176 would result in "reduced freedoms," "eastern domination," "corporate control," lower feed grain prices," and "less livestock production."

With amendments now written into the Bill, producers of all farm products will have the opportunity to regulate the movement of the product inter-provincially and internationally through provincial boards and commissions, says Mr. Lea.

Quota control, if producers of a commodity want it, would be under the jurisdiction of provincial agencies, which would not surrender autonomy under Bill C-176, he states.

The legislation can be used to control steadily increasing growth of corporate production units and to expand export markets and more important, to prevent balkanization, contends the Unifarm president.

Mr. Lea says the advertisement claim that feed-grain producers will receive lower prices is based on the invalid premise that livestock production would be reduced in Western Canada.

Unifarm members throughout the province are petitioning the federal government directly to pass Bill C-176 without delay.

"Farmers have been seeking the opportunity to establish orderly marketing systems for their commodities for many years now, and if this opportunity is lost, another will not arise in the foreseeable future," warns Mr. Lea.

Minor Hockey Meet Scheduled

A general meeting of the Drayton Valley Minor Hockey Association will be held in the curling rink lounge on Monday, May 18th at 8:00 p.m.

Agenda will include: 1970-71 program summary; 1970-71 financial statement; discussion of 1970-71 problems; election of 1970-71 executive; recommendations for the 1970-71 executive.

Everyone interested in promoting the minor hockey program is invited to attend.

BUCK LAKE NEWS

On Sunday April 18th, Darcy Dawson celebrated his 8th birthday with a party at which there were 16 little guests. Everyone had lots of fun.

Madeline Prefontaine and her grandson Rudy Lowe, motored to Black Diamond on Sunday, April 18th to spend a few days with her sister and family, Mr. and Mrs. Bill Price and Jimmy.

Mr. and Mrs. Slim Weber, formerly of Buck Lake stopped in at Dewey and Ruby Woods' for a brief visit recently.

Mrs. Weber took son Danny to Saskatoon for a Easter vacation.

Mrs. Marceau and her daughter Donna of Wetaskiwin were out to attend the funeral services for Mr. Ronald Frickie and they visited Mr. and Mrs. Arne Trusett as well.

Easter weekend visitors at the home of Mr. and Mrs. Joel Maclean were Mr. and Mrs. Ivan Walker and small son Devon of Red Deer. They also visited with Mrs. Agnes Mickie, who is staying with the Maclean family.

Jim Foster returned home Saturday from Boundry Lake, B. C. and Zama City, where he was working for several weeks.

Gary Foster is at home on time-off from his job, and as Harry is ill, will be staying home a few days longer than usual.

Sunday evening visitors at the S. H. Larsson farm were Mr. and Mrs. Harry Brederson and Mr. and Mrs. Lawrence Olson, all of Ferintosh.

Wes and Betty Bouck were in Rocky Mountain House on business Monday and Thursday.

Mrs. Sylvia Poszgal held an 18th birthday party for daughter, Helen Trusett on Friday evening. Those attending were Helen's grandmother, Mrs. Agnes Mickie Aunt Elaine and Uncle Joel and the boys, and the Trusett family, who also helped Helen and Morris celebrate their 1st wedding anniversary. Morris has to go back to his job on Melville Island April 20th so will be absent on their anniversary date, April 24th.

The monthly Ladies' Friendly Circle Club meeting was held at the home of Vera Brzus on Wednesday evening, April 21st, with ten members present. A good deal of business was discussed in a short time.

The old timers reunion will be held this year on Sunday, June 6 at 2:00 p.m. in the Recreation Centre, sponsored by the Ladies Club. Lunch will be served, and everyone is welcome.

A vote of thanks from the club to Mr. Ernie Mills for making the coat rack for the Recreation Centre, also to Ernie Mills and Margaret Roberts for delivering

it to the centre, and to everyone who donated materials for the rack.

Several ladies from Buck Lake are again attending the ceramics classes in Alder Flats, held Tuesday and Wednesday evenings.

Mrs. Mary Wennerstrom motored to Edmonton Wednesday with Mrs. Ruby Woods to visit Eric in University Hospital.

Mrs. Sandra Glenn and little son Sheldon of Edmonton are visiting with her parents, George and Barbara McLeod for a week.

Weekend visitors at the home of George and Barbara McLeod were Mr. and Mrs. Jackshaw (Ken and Elaine) and family, of Bashaw; Judy, Wilf and Mary Halliday, of Edmonton, their daughter Linda, Doug Goltz and family, son Brian, of Drayton Valley, Merle Goltz of Edmonton, Hank and Bob Goltz of Winfield, and their daughter Sandra, Wally and Sheldon Glenn of Edmonton.

Margaret Roberts left for Calgary on Sunday for six weeks or so with her sister-in-law, Mrs. Margaret Mills who came up to get her at the weekend. She will be visiting all her relatives there.

Donations of coat hangers for the coat rack at the Recreation

Centre would be much appreciated.

May 1 to 15 has been declared Clean-Up-Time in Buck Lake and surrounding area by the Fire Commissioner and the Department of Health.

Sundanco Club Public Speaking

Because of the Easter holiday the regular meeting of the Sundanco 4-H Garden Club was moved from April 14th to the 6th. Roll call was answered with names of harmful garden insects.

New business involved the 4-H Rally that the club will take part in. The club also received permission to sell lunch at the Liviniuk farm sale.

Pee-Wee public speaking followed the meeting with Daralyn Gardiner taking first prize and a trophy donated by Terry Bentley. Diane Litzenberger and Norma Charlet tied for second. All participants received a 4-H pen donated by Mrs. Litzenberger.

A delicious lunch followed adjournment. The next meeting will be held May 12th.

Botanic Gardens to be Open on Summer Weekends

The Botanic Garden and Field Laboratory of the Department of Botany, University of Alberta, will be open to the public every weekend from May 1 until the middle of September.

The Garden will be open every Saturday and the first Sunday of each month from 1 p.m. to 5 p.m. during May and from 1 p.m. to 7 p.m. during June, July, August and September.

Trees and shrubs (including evergreens) are also established or are on trial in the garden, and a total of more than 2,500 species and cultivars are labelled.

To reach the garden from Highway 16 West, visitors should turn south on Highway 60 (the Devon Highway) and travel south nine

miles. It is located on the east side of the highway and is well marked with signs.

Visitors are advised to bring insect repellent and women are advised to wear flat heeled shoes.

PLAN LATIN MASSES AT ST. ANTHONY'S

St. Anthony's Catholic Church will be celebrating Mass completely in Latin on Saturday (7:00 p.m.) and Sunday (10:00 a.m.) May 15th and 16th.

The purpose is to show the young people what it "was like" ten years ago and also to bring back memories to the older parishioners.

EVANSBURG AREA NEWS

Evansburg Golf Club Names Officers

A very enthusiastic group of golfers held a recent meeting to elect the officers and get the golfing season underway. The officers are President, Jerry Pehrson and Secretary-Treasurer, Fred Solisk. Greens-keeper will be hired after the May 12th meeting.

Plans were made to open the golf season with a two-ball four-some club tournament, and barbecue, the date May 16th commencing 2:00 p.m. All golfers and potential golfers please register with A. Lorenz on or before May 14th, 1971.

EVANSBURG NEWS

The community is very pleased to see Mr. Ivor Froland back and visiting with many friends. He has been a patient in the hospital many months.

Birthday greetings go to Mrs. Annie Hutchinson, the community wishes her many happy returns of the day. Mrs. Hutchinson was born in Melita, Manitoba, May 6th, 1884. She was married in Manitoba then moved with her husband to Weyburn Saskatchewan in 1908. They left the dried out area in 1924 and moved to the Evansburg district where they first resided on the Nate Broughton quarter where Pete and Marc Peterson now reside. They later purchased land north of Evansburg from the North American Colliers the present home of Delbert and Lil Farrell. They retired in 1946 and moved into Evansburg. They purchased their home from Mr. Ivor Froland. This was believed to be the first rooming house at the opening of the mine and later was used as the R.C.M.P. barracks. They raised a family of five children, three daughters and two sons. One daughter and her husband have passed away. Mrs. Hutchinson still does her own house work and shopping, and she attends church regularly.

Mr. and Mrs. Ian Thomas and daughter visited at the home of Mr. and Mrs. Nigel Aspeslet. Mrs. Thomas was formerly on the teaching staff here.

Mr. and Mrs. Larry Lefebvre visited at the home of Mr. and Mrs. Ross Campbell on the week-

Mr. and Mrs. Joe Tomkinson's had as their guests, Mr. and Mrs. Glen Buckler of Drayton Valley; Mr. and Mrs. Steve Lamoureux of Edson; Mr. and Mrs. Dennis Tomkinson of Edmonton; Mrs. Margaret Thompson; and Mr. Don Tomkinson of Edmonton and his fiancée.

Evansburg High School took 3rd place for seniors in the Badminton tournament played in Edson April 24th. Beth Tucker and Verna Nickolyuk took second place in the "B" section in the Ladies' double. Eight other schools were in the competition.

A large crowd of parents and friends of the High School Drama Club gathered at the auditorium to enjoy a number of one-act plays under the guidance of Mrs. Foreman the drama teacher.

Lynn Marshall will be working for the Bank of Commerce in Jasper this summer.

A farewell stag party was held in honour of Constable Matt Brady who was transferred to the R.C.M.P. detachment in Edson.

Belated birthday greetings to Mr. George McGowan this week, he celebrated his 82nd birthday with two of his daughters, Mrs. Jim Veitch of Edmonton and Mrs. Art Melvin of Hinton visiting here.

Mr. McGowan was born near St. John, North Dakota, and came to Canada in 1910. He took up a homestead north of Coronation in 1912 where the nearest post office was Talbot. He farmed there until 1916 when he went to Castor to work as a mechanic.

He married in Castor in 1919 and they left Castor in 1926 and went to work in Halkirk until 1937 when they moved to Evansburg. He came here as a Watkins dealer and a year later he went to work for the Department of Highways. He went back to mechanic work and worked in Edmonton for seven years, before coming back to Evansburg to open his own repair shop. He worked at this until his retirement in 1958.

Mr. and Mrs. McGowan raised seven children, three daughters and four sons. Two sons are in the armed services, Bud is stationed in Germany at the moment.

An Auction Sale was held on the vacant Macleods lot on Saturday, April 24th. The proceeds went to the Historical Society to help in the up-keep of the Museum. The executive of the society wish to thank all those who donated the goods for sale.

D. V. Highlights

BY MRS. EDITH DEBY

Mrs. Thomas Morgan had the misfortune to break her ankle. She is in the local hospital for what may be rather a lengthy stay. Miss Mary Adams, of Swift Current, Saskatchewan, has been visiting her brother-in-law and sister, Mr. and Mrs. William Featherstone for the past few days. Miss Adams has just completed her training as a Certified Nursing Assistant and will be working in North Battleford.

We regret to learn of the death of Mrs. Cecil Jackman. Mrs. Jackman was the former Helen Daley and will be remembered by many people in Rocky Rapids where she taught at one time.

The Hrynyk family recently enjoyed a holiday in California.

The Women's Institute Drop In Centre in the basement of the Town Hall is open for the convenience of shoppers. A chesterfield and comfortable chairs have

been donated and it is hoped that, with the washroom facilities just across the hall, many people will want to come in for a visit. Just come in the south door of the Town Hall, facing the Anglican Church, and go downstairs.

Mr. Fritz Joesting is in hospital. All his friends hope his will be a short stay and that he is well enough to be home enjoying our lovely spring weather soon.

Mr. Wayne Peterson is attending a one week seminar in banking in Edmonton this week.

Sorry to find Mrs. Wiechert back in hospital. Get well soon, Mrs. Wiechert.

Mr. and Mrs. Peter Gregerson, of Summerland, formerly of Violet Grove, will leave May 5th for a thirty-five day holiday in Mr. Gregerson's native Denmark.

The Dunington Ladies Group held its last whist party of the season following a pot luck supper on Saturday evening. Miss Agnes Stordalsvoll, a pupil of Edwin Eriksson's, supplied dinner music. Winners at cards were: High, Mrs. Harold Smithinsky and Mr. Albert Grinde; Low, Joyce Smithinsky and Mr. Harold Smithinsky.

Mr. Joe Berezowski is likely to be discharged from hospital soon. Mr. Berezowski had two operations followed by complications resulting in an especially long stay.

It is a pleasure to be able to report that Mr. Jack Heyland is doing well after his operation.

The Ron Hemmingways have moved to Wainwright where Mr. Hemmingway is postmaster. While here the Hemmingways have taken an active part in the life of the community and will be missed.

Mr. and Mrs. B. P. Knowles of Fort Saskatchewan were weekend guests at the home of their daughter and son-in-law, Mr. and Mrs. R. B. Smith.

I'm indebted to Mr. John Mikulin for suggesting the following story. We are led to believe that computer billing is never wrong. It was, therefore, somewhat of a shock to Mr. Edward Hines Jr. to get his Farm Power bill last week which informed him that his bill for the preceeding three months was \$1,039.97 after the provincial discount of \$59.64 had been deducted. Do you suppose someone had left a light burning?

According to the Canada Safety Council a recent study by the Cornell Aeronautical Laboratory showed that fires occur in six times as many truck crashes as car crashes.

SUB-MITS FROM THE ELEMENTARY SCHOOL

Excitement reigned supreme the last several days in the grade four-science classes. After three weeks of patiently waiting the classes observed first-hand the actual hatching of eggs. This science project was undertaken with the assistance of a setting hen. The hen and her eleven chicks will be on display for the rest of the classrooms for a few days and then returned to their more familiar surroundings on the Beauchamp farm. Some of the proceedings were taped. Watch for them when you come to our annual Spring Display Day on May 19th.

I would like to make some observations to parents whose children ride bikes to school. On Friday last, there were 237 bicycles in the school yard. Of these 18 had stick shifts. Here is a direct reprint of the possible dangers of these stick shifts as taken from an article in the May issue in the Science Digest.

"The risk of injury to the genitals increases as a result of the location of the stick shift on the crossbar; it protrudes upward like a stake. In some instances, the plastic knob has come off, leaving a blade-like shaft of steel pointing at the rider's groin. An additional hazard is imposed on the rider who must remove a hand from the handlebar to shift gears."

Does your child's bike fit this description?

THE COUNTY OF PARKLAND No. 31

NOTICE TO RESIDENTS

PROVINCIAL CLEAN-UP CAMPAIGN

The Government of the Province of Alberta acting through the Honourable Gordon E. Taylor, Minister of Highways and Transport is sponsoring and co-ordinating a "cleanup period" in Alberta, May 15th - 31st, 1971.

In order that the County may participate fully in this campaign, the council has authorized the use of county equipment and personnel during this period for the collection of old car bodies, junk, litter etc. from road allowances and also from private property upon request.

Volunteer help and co-operation is hereby requested from the citizens of the county by way of working directly with county employees and/or reporting nuisances to the co-ordinator at the county office.

Old car bodies and metal junk will be delivered to the following locations only and disposed of at a later date.

1. Car body dump located at S.E. 32-53-27-4
2. Wabamun nuisance grounds in N.W. 12-53-4-5
3. Violet Grove nuisance grounds in S.W. 24-48-8-5

All other litter will be directed to existing local nuisance grounds.

If all property owners make an individual effort on their own property and work in conjunction with this program it will make the County of Parkland a better area in which to live.

KENT CRAIG,
County Co-ordinator.

CADET WESLEY T. OULTON

Cadet Wins Summer Visit To West Indies

Master Cadet Captain Wesley T. Oulton, of 2561 Breton Cadet Corps has been chosen one of five Alberta Cadets (Land) to spend this summer in Granada and adjoining area.

The award is the culmination of Captain Oulton's outstanding performance in the Cadet Corps. Subsequent to enlisting in the Corps, Captain Oulton attended summer courses -- Junior Leader at Shilo, Cadet Leader at Vernon and Cadet Leader Instructor at Vernon B. C. in 1970.

During the Easter Recess he wrote in the Master Cadet Competition in Edmonton and placed second in the Province, part of B. C. and N.W.T. with a score of 88.

Captain Oulton will depart from Breton early in July for Petawawa, Ontario, then take the service flight to Granada.

ENTWISTLE CURLING CLUB TO HOLD AUCTION MAY 8

The Entwistle Curling Club Auction Sale is scheduled for Saturday, May 8th -- Keep the date in mind.

Preliminary Plans For Annual Show

The April meeting of the W. I. was held in Mrs. Roy Burrow's home on the evening of the 26th. The minutes of the March meeting mentioned that an art demonstration was provided by Mrs. Schmidt, formerly Miss Margo Palmer, a well known Drayton Valley artist.

The Women's Institute Girls' Club will be in need of new leaders in the fall. Mrs. Leslie Brown has resigned after six years. Mrs. Hemmingway, assistant leader has moved away so both positions will be vacant. W. I. members and mothers whose daughters have benefitted from belonging to the club are most grateful to Mrs. Brown and Mrs. Hemmingway for donating so much time to this most worthy cause.

Mrs. Burrows, Mrs. Edmunds, Mrs. Chipchase and Mrs. Deby plan to attend the Constituency Conference in Sanguo.

It has been decided to extend the Flower Show to an Agricultural Show. The Elks Community Hall has been booked for August 25th. Further mention will appear in this paper. In order to meet expenses of this show the W. I. plans a bake sale, plant sale and raffle of a barbecue.

Mrs. Hammerlindl gave a report on the Drop In Centre for shoppers. In spite of continued advertising the centre is not receiving the patronage hoped for. Our branch appreciates the help being given in supervision by other women.

Mrs. Vi Heyland gave a demonstration of Artex Roll On Em-

broidery. Mrs. Heyland believes that people learn by doing and each member was supplied with a stamped pattern and paints.

The next meeting of the W. I. is to be held in the Drop In Centre on Monday, May 17th at 8:30. Mr. Hutton of the Junior High School staff will speak on the subject guidance. Anyone interested is invited to attend.

Nurses' Assn. Elects Officers

The regular meeting of the A.A.R.N. was held on April 19th in the nurses' residence.

Election of officers for the 1971-72 term was held and the following people were elected: President, Mrs. Barbara Davies; Vice President, Mrs. Donna Roper; Treasurer, Mrs. Bert Simons; Secretary, Mrs. Miriam Roberts; Program, Mrs. Marilyn Maclean and Mrs. Peggy McKillop; Publicity, Mrs. Betty Lundberg and Mrs. Peggy Godlein.

There will be another bursary given to any student who wishes to go into nursing. The forms may be picked up from Mrs. Simons at the Medical Centre.

Mrs. Donna Roper, Mrs. V. Koehnstedt, Mrs. B. Davies and Mrs. Hy Dahl will attend the convention in Banff in May.

The meeting in June will be a supper meeting to be held in the Cardium Room.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending May 1st, 1971 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This Week (est.)	7600	6400	1200	4300	90
Last Week	7135	5405	1730	4697	32
Same Week (1970)	6950	6020	930	3134	12

SUMMARY

This week's receipts were about 500 higher with replacement classes of cattle and calves comprising about 75% of sales. There was some increase in offerings of cows along with a slight decrease in slaughter steer numbers. Trade was only moderately active most of the week. Slaughter steers were mostly 25 lower, butcher heifers 25 - 50 lower. Butcher cows 50 - 1.50 lower. Veal steady. Bulls steady.

SLAUGHTER CATTLE AND CALVES

Top quality slaughter steers were generally scarce selling to a restrictive trade as to weight and condition. Choice steers 950 to 1050# were mostly steady with odd sales over 32.50 while lighter and heavier weights were slow under discounts of 50 - 1.00. Medium quality steers were off 50 - 1.00 as demand slackened at mid-week. Butcher heifers opened about steady with the odd sale over 31, but in closing rounds prices were under slight pressure, with very few sales over 30.50. Good and medium butcher cows were sharply lower at mid-week at prices 1.00 - 1.50 lower. Canner and cutters were off 50 as the week closed. Bulls steady, veal and butcher calves unchanged.

REPLACEMENT CATTLE AND CALVES

Replacement prices were generally steady this week with fleshy kinds continuing to sell under discounts and low in quotations. Lighter weight green stock calves sold freely at firm prices while heavier stock calves were barely steady. There is a good demand for both steer and heifer stock calves weighing 250# and under.

SHIPMENTS
Last week's cattle and calf shipments off the Edmonton Public Stockyards were: East - 25 slaughter, 35 feeders; West to B. C. - 30 slaughter; Export - 30 slaughter. Feeders to southern Alberta areas - 1,380 cattle and calves.

CLOSING QUOTATIONS (1970 Quotations in Brackets)

SLAUGHTER CATTLE
Steers: Choice 32 - 32.50 (31 - 25 - 32.25), good 31 - 32, medium 26.50 - 28.
Heifers: Choice 30 - 30.75 (30 - 30.85), good 29 - 30, medium 27 - 28.

Cows: Good 20.50 - 21, sales to 21.50 (22 - 23), medium 19.50 - 20.50, canners and cutters 17.50 - 19, shells 16 - 17.

Bulls: Good 23.50 - 25.50, odd sale higher (25 - 26).

REPLACEMENT CATTLE AND CALVES

Good feeder steers (575 - 750 lbs.) 33 - 36 (33 - 37), (750 lbs. & up) 30 - 33 (30 - 33), common to medium 26 - 32.

Good feeder heifers (575 lbs. & up) 28 - 31 (29 - 33), common to medium 24 - 27.

Stock cows 18 - 24 (19 - 25). Good stock steer calves (275 - 400 lbs.) 42 - 50, (400 - 550 lbs.) 35 - 42 (37 - 44), common to medium 30 - 40.

Good stock heifer calves (275 - 550 lbs.) 31 - 40, according to weight (33 - 37), common to medium 28 - 32.

KILLING CALVES

Good to choice veal (250 lbs. & under) 45 - 50 (44 - 48).

Good to choice butcher calves (300 - 450 lbs.) 35 - 45, (450 lbs. & up) 28 - 32.

HOGS

Edmonton Stockyard (E.S.Y.) butcher hogs sold about steady this week ranging from 18.25 to 19.25 base price, (29.30 - 30.90). Boars \$2.00 - \$9.00 per cwt., depending on weight and quality. Sows 13.35 dressed wt. 1160 feeder hogs sold Tuesday and Thursday afternoon ranging from 17.00/cwt. for 100# feeders down to 13.30/cwt. for 150# feeders. Weaners and light feeders sold by the head from \$7.25 each for weaners to \$16.25 each for 85# feeders.

SHEEP AND LAMBS
Good to choice butcher lambs 26.20 per cwt. Feeder lambs 24.00/cwt.

Men's Fastball Meet Wednesday

There will be a Men's Fastball Meeting at 7:00 p.m. at the Drayton Valley Arena on Wednesday, May 5th. The deadline for player registration will be the 8th of May, 1971. All persons interested in participating in a local league must attend this meeting. If insufficient interest is apparent at this meeting, organization of a local league will be discontinued.

LATE COPY

A great deal of news copy is still arriving at The Western Review office on Monday mornings and most of it held over to the following week.

In order to meet our Tuesday printing deadline copy must be set by the weekend. The only material set on Monday is that which must appear in the current week.

We would appreciate early arrival of advertising and news copy to allow us to provide a better service for residents outside of the town.

District 4-H Clubs Attend Judging Day

On Tuesday, April 6th the monthly Drayton Valley 4-H Mutton and Beef Club meeting was held at the home of Mr. and Mrs. Fred Kynoch. Discussed at the meeting was the club's previous visit to the Edmonton stock show and rodeo.

The club hosted a beef judging day on Tuesday, April 13th. The clubs present at this were Sundance, Moon Lake, Tomahawk, Lobstick and Drayton Valley. The clubs judged four steers, four heifers and four calves for the qualities of a good beef animal.

On Saturday, April 17th, the club catered to the Bull Sale in the Drayton Valley Auction market.

The members are to take ten feed of one-quarter inch nylon rope to the next meeting. The rope will be used to make halters. Thank-you to Mrs. Kynoch who served the lunch at the last meeting.

Bingo Winners

BRETON -- For doubling your winnings, the lucky bingo number was I-21 at the regular Elks Bingo Night last Tuesday at Breton.

Winners were drawn from a large area - from Coquitlam, B. C. to Warburg, Alberta, from Westrose and Winfield to Camwood and Berrymoor.

Mrs. Mackey, Coquitlam, B. C.; Mrs. Roos, Buck Creek and Mrs. Craig of Breton were the double winners.

Miss Barbara Larsen of Breton won the \$125.00 prize.

Win Bowling Awards

Drayton Valley members of the high school bowling team that won the Alberta Pepsi Cola offs at Grande Prairie recently are shown above. Deena Davis (L) and Loretta Fowler are shown with their trophies. The team was composed of Drayton Valley and Wetaskiwin bowlers and coached by Mrs. Ruby Hurley, standing behind the girls.

Defence Department Announces Summer Jobs

EDMONTON -- Approximately
1,775 vacancies are available
this summer to students of the
prairie provinces in Department
of National Defence student em-
ployment programs.

About 340 students aged 16-24
will be hired under the depart-
ment's casual civilian employ-
ment program for a variety of
jobs at bases throughout the three
provinces. Employment will in-
clude office work, transport driv-
ing, warehousing, and food ser-
vices. A limited number of op-
portunities also exist for employ-
ment in fields directly related
to their academic disciplines.

Another 200 students, aged 17-
24, will be employed to clear
and improve range areas and re-
lated facilities at Canadian
Forces Bases Shilo, Manitoba,
and Calgary. Under this program
accommodation and emergency
medical care will be provided by
the department.

Students selected for both of
these programs will be paid the
minimum local prevailing rate
applicable to their employment.

Under a new civilian training
program to be introduced at CFB
Wainwright, Alberta, the depart-
ment will provide eight weeks of
instruction in first aid, hunter
safety, bush survival, adventure
training, water safety, civilian
leadership and related activities
for approximately 250 young men
aged 16-24 years. Pay rates for
this program will be available in
approximately two weeks.

Additional information and ap-
plication forms for the casual
civilian employment program,
range clearance and civilian
training program are available

at the regular or student Canada
Manpower Centres.

Approximately 1,000 vacan-
cies are available to prairie prov-
inces students in the special sum-
mer reserve program. About forty
percent of available positions
will be offered those who partici-
pated in last year's program. The
training will be carried out at
various bases and armories in
the prairie region during July and
August. Students selected for the
reserve program will receive
\$7.50 per day on a seven day
week basis. Those reserve units
conducting summer programs will
begin enrolling students early in
July. A list of participating re-
serve units will be announced
shortly.

COUNTY OF PARKLAND No. 31 FOR SALE BY TENDER

The School Committee of the County of Parkland No. 31
invites tenders for the teacherage and site in Seba Beach, situ-
ated on Lot 2, Block 1, Plan 2020 K.S. and presently occupied
by Mr. Philip Cmybaluk. The building is 24'x30' with 4 rooms
and bathroom on the main floor and 2 finished rooms in the base-
ment. This house has electricity, natural gas, running water and
plumbing.

However, at the present time this dwelling is serviced by
a water line from the County well which also services the other
3 teacherages in Seba Beach. The purchaser will be required to
make arrangements for water supply in the future.

Please submit written sealed tenders to the undersigned
clearly marked "Tender - Seba Beach Teacherage" not later
than 11:00 a.m. on Friday, May 28, 1971. A deposit in the
amount of 10% of the offer, in the form of a Money Order or
certified cheque, must accompany the tender. Terms of sale -
Cash - with full settlement by July 30, 1971 and occupancy on
August 1, 1971.

The highest or any tender not necessarily accepted.

CLEAN UP STOPS BURN UP
I've been pondering some well worn phrases to see how well they relate to the problem and the problem this time is how to make the best use of spring fever to avoid destruction by fire.
"A clean house seldom burns (but it may explode.)"
"In spring a young woman's fancy turns..."
"What is so rare as a week in spring".
As you see there has been some unpoetic licence taken and some words removed and replaced by others more appropriate to the subject of fire prevention.
It would appear what is used to clean house makes the difference.

Paint thinners need special care. Gasoline is out -- keep it right out of the house or garage. Soap and water and scrapers or non-flammable chemicals will make things shine but not explode.

The young woman's fancy may not always turn to love, it may even turn to spring cleaning and I've known some husbands to become unwittingly involved and there is the compensating satisfaction of getting rid of unnecessary combustibles.

Finally, we can take pride in spring clean up. Chambers of Commerce are for it and right now in support of their community beautiful action plan we can set a target for the week of May 10-15 to be Spring Clean Up Week in Alberta. As Fire Commissioner, I am recommending that all possible public support be given to all fire departments to push for thorough and safe spring clean up for all Alberta communities. A rare day of spring sunshine can be prolonged to a rare week of spring clean up so that the bloom and safety of spring will extend far into summer.

The people to fear are not those who disagree with you but those who disagree with you and are too cowardly to let you know.

Recreation Leadership School at Drumheller

Alberta communities are encouraged to select their candidates for the 1971 Provincial Recreation Leadership School as soon as possible. Sponsored by the Alberta Department of Culture, Youth and Recreation, the school offers Albertans interested in leading recreation activities a unique opportunity to develop their leadership skills. It will be held July 4 to 31 in the Drumheller Composite High School, Drumheller, Alberta.

Subjects as diverse as the principles and philosophy of recreation, first aid and community singing will be taught in the first year course. For second year students, options include crafts for children, archery, tennis and golf. Out door education classes will take a timely look at ecology and conservation practices.

Expert instructors and resource staff for the Leadership School have been selected from across Canada.

Of special interest this year is a study of recreation for the developmentally handicapped. Students will visit institutions and hold special sessions with institution staff.

To be eligible candidates must be: (1.) Physically fit, (2.) Adult or, if a student, finished grade 11 by June 1971, (3.) Prepared to

provide leadership service to their community, (4.) Nominated by the local recreation authority or a responsible organization in the community.

For Alberta residents the course costs \$70.00 and that includes board, room and tuition. Candidates successfully completing first year course requirements will receive a letter of credit. Second year students receive a Recreation Activity Leaders Certificate.

Sponsors must take responsibility for screening candidates, assisting them in selecting options that will be of value to their community, assuring them of an opportunity to use their skills and supervising and guiding them in local programs.

Sponsors or candidates may pay the registration fee. However, payment by the sponsor often increases the candidates sense of responsibility to the community.

More information may be obtained by contacting the local Recreation Department or Area Consultant or by writing to the Supervisor, Recreation Education, Recreation Branch, Department of Culture, Youth and Recreation, CN Tower, Edmonton 15, Alberta.
